

Extended Service Coverage for C18 Commercial Marine Engine Bundled Solutions

ENGINE PROTECTION THAT KEEPS YOU ON COURSE

SAFEGUARD YOUR INVESTMENT AND YOUR PEACE OF MIND

Looking to keep your vessel on the water longer while minimizing unexpected downtime and repair costs? An overhaul is the best way to extend your investment in your Cat® Marine engine, and Extended Service Coverage (ESC) from Cat Financial Insurance Services is built to protect that investment — and your peace of mind.

- > Avoid unexpected costs and downtime caused by unscheduled repairs
- > Count on coverage anywhere in the world — no zones or territory restrictions
- > Improve cash flow by budgeting the cost of unexpected repairs upfront
- > Perform the overhaul yourself or have it done by a Cat dealer
- > Covered repairs done right the first time by factory-trained technicians using genuine Cat parts
- > Return your engine to its original operating specs, meeting all requirements for safe use and environmental compliance
- > Choose package coverage with all the components you need or individual coverage to customize your protection
